INVITATION TO ATTEND

Dear Exhibitors and Sponsors,

On behalf of the American Society for Reproductive Immunology, it is with great enthusiasm that I invite you to attend the 39th annual meeting, to be held at the historic Amway Grande Plaza Hotel in Grand Rapids, Michigan on June 12-15th, 2019. Our meeting brings together basic scientists, clinician-scientists and healthcare providers who work together to translate scientific discoveries into improved patient care.

This is an excellent opportunity for exhibitors and sponsors to advertise and/or interact with our diverse membership made up of professionals working in academia, industry, and clinical settings. This years meeting will be an especially fitting for introducing and/or promoting new products and technologies, as the theme for ASRI 2019 is "Frontiers in Reproductive Immunology: Recent advances and novel concepts in Reproductive Immunology Research".

The Scientific Program committee has put together an exciting schedule of events, including plenary and break-out sessions led by leading national and international experts in the fields of Obstetrics & Gynecology, Immunology, Pediatrics, Infectious Diseases, Genetics, Neuroscience and Developmental Biology. We have multiple sponsorship opportunities for the annual meeting of ASRI 2019. Sponsors also receive complimentary registration, invitation to our Welcome Reception and Awards Banquet, and recognition on our website, in our program, and on our mobile app!

ASRI 2019 promises to provide multiple opportunities for learning, exchanging ideas and discovering up-and-coming technologies at a stunning venue.

I look forward to seeing you in Grand Rapids!

Karen Racicot, PhD ASRI 2019 Annual Meeting Chair
